Excerpt from Executive Order 78-07, Creation of BRAC Implementation Committee

C. Administrative Support

Primary administrative support will be provided to the BRAC Implementation Task Force by the BRAC Coordinator, located in the Offices of the County Executive. A staff technical working group will also be available to provide information and support on specific issues associated with the BRAC impacts. A core group, as defined below, is recognized for its support role. Staff from other agencies may be requested to provide information or assistance to the group as it progresses.

- Judy Daniel, Community Based Planning, M-NCPPC
- Shahriar Etemadi, Transportation Planning, M-NCPPC
- David Moss, Montgomery County, DPWT
- Sarah Miller, Montgomery County DED
- Representative, Department of Housing and Community Affairs
- Russ Hamill, Department of Police, Second District
- Tom Carr, Montgomery County, DFRS
- Gordon Aoyagi, Director, Montgomery County Homeland Security
- Jennifer Barrett, Director, Department of Finance
- Ron Spalding, Maryland Department of Transportation (DOT) Office of Planning
- Stephanie Yanovitz, State Highway Administration
- Mike Madden, MD Transit Administration
- Richard Grant, MD, Department of Business and Economic Development, Capital Region
- Leslie Hamm, Acting Director, Bethesda-Chevy Chase Regional Services Center
- Representative, Offices of the County Executive
- Sandi Brecher, Montgomery County Commuter Services
- Ellyn Goldkind, National Capital Planning Commission
